

Me-do-it chairs

It's just the right size, designed specially for short legs. Children can carry it and the wide base prevents tipping. Accommodates the knee-first-then-turn ritual typical of beginning sitters.

13 cm Me-do-it chair J505

For ages 6 to 18 months
Use with 30 cm table height.

17 cm Me-do-it chair J506

For ages 12 to 30 months
Use with 36 cm table height.

Safety buttons keep tower stable when stacking. Both sizes stack together.

MultiTables with low adjustable legs fit the Me-do-it chairs. See page 41.

High chair

Tray is scratch-resistant, easy to clean, and dishwasher-safe. Tray holes are at 3 cm increments to fit any size child.

High chair P53

For ages 6 months to 24 months.

High chair footrest P531

Optional footrest attaches with a screwdriver.

We-do-it bench and Nursery stool

We-do-it bench J22
